The number of Korean bands, as well as Korean dramas that are broadcast on the media³ ³ Internet and television, makes many of us, especially the young³are crazy about everything Korean. Actually, this is a sad thing, where the young ³ like something that's not really a good thing, and they even love it. For example, like many women, we like Korean boy bands because of their beautiful face and of course this will reduce the marwah of Islam in women. Also men who like groups of Korean girls who look sexy and of course this is the same as seeing the aurat of an illegitimate woman. Let's hope we're not among the people ³ question as mentioned above. Other than that, all learning Korean is a good thing or a good thing, because this is something mundane for which there is no prohibition³ And for those of you who want to learn Korean, but are limited by a fairly expensive cost, here we provide a ³duet to learn Korean as a pdf that you can download for free. There are 13 Korean books in PDF format and 2 audio files in Mp3 format that you can download, and all these books and audios are very suitable for those of you who want to learn Korean independently.
